Hiring Manager,
SevenUp Bottling Company Ltd.
247 Moshood Abiola Way,
Ijora, Lagos, Nigeria.

Dear Sir/Ma,

I am writing to express my interest in the 2025 Graduate Trainee Program at Seven-Up Bottling Company. As a graduate of Sociology with an MSc in view, I am passionate about the opportunity to contribute to your organization's commitment to excellence and innovation.

With a multidimensional career in Sociology and Computer Science, my academic background has led me to develop strong competencies in project management, research, teamwork, and effective communication. I led several impactful community development projects as Team Lead of Enactus Federal University Dutsin-ma, and as a member contributed to the award-winning Hope for Almajiri project, which secured a grant from Ford C3. I also served as a Cisco Certified Networking Instructor since 2019, enhancing my training and presentation skills.

During my NYSC, I served as both a platoon leader and a hostel governor and received two commendation letters in recognition of my leadership, problem-solving, and organizational abilities. These experiences, make me confident in my ability to thrive and contribute to your organizations success.

What interests me the most about this opportunity is the chance to learn from experienced professionals while contributing meaningfully to a globally recognized brand like SevenUp Bottling Company. I am fully open to relocating to any of your locations, within or outside Nigeria.

Thank you for considering my application. I look forward to the possibility of discussing how my background, enthusiasm, and skills can align with the goals of the 7Up Graduate Trainee Program.

Sincerely,
Joseph James Ayemlo
